2019 USA Rugby
Club 7s National Championships
Kansas City, MO
August 10-11, 2019

Step 2

Team Participation Agreement: This form must be signed and dated by your team representative as well as a representative from your Territorial/Geographic Union. This affirms that you understand what is required of you and your team at a USA Rugby National Championship Event. Completed forms should be forwarded to ncspaperwork@usarugby.org.

Step 3

Club 7s Championship Roster: This form must be signed and dated by your team representative and a Territorial/Geographic Union official. You may request that your official clear more than 12 players, but you will only be allowed to use 12 players (plus 1 injury replacement) for the event weekend. Please reference the championship roster for injury replacement/13th player guidelines. Completed forms should be forwarded to ncspaperwork@usarugby.org

Step 4

Participation Waiver (Required of all participants): The participation waiver is no longer separated into adult and minor forms, but combined in a single document. A complete copy of this form must be presented by all players at check-in. Should a minor player have completed a waiver for participation in club rugby, please ensure that the athlete's parent/guardian provides the appropriate signatures on the participation waiver and that the completed [U18 Participation in Adult Rugby Waiver](#) is present at check-in.

Step 6

Media Questionnaire: You will be receiving an email link to a Google form that must be completed for each player on the roster. A coach or manager can complete the forms for everyone or the link can be shared with each individual player. These forms must be completed by the deadline to ensure an accurate broadcast. If you have any questions regarding broadcast rosters, please email akaylor@usarugby.org.

Please use the attached Championship Checklist to confirm completion of all six steps. Championship paperwork may be returned to ncspaperwork@usarugby.org.

VENUE

All matches will be played on the natural grass fields at Swope Soccer Village. Matches will be split evenly between Children’s Mercy Victory Field (labeled “Stadium” on the map and schedule) and Bermuda Field 2 (labeled “Field 2” on the map and schedule) on Saturday. On Sunday, cup matches will be given priority in the stadium.

All warm-ups will take place on Field 6 which is an artificial turf surface located in between the two match fields. Priority must be given to teams playing in the upcoming matches to ensure that this field does not become too crowded.

Team tents will be setup in the grassy area west of the stadium field. Each team will have a 10’ x 10’ tent and there will also be a medical tent for pre-match taping and post-match treatment. Teams should access the stadium by the gate on the north end of the west bleachers (press box side) and access Field 2 by way of the warm-up field.

****Metal cleats are not allowed on any of the Swope Soccer Village fields**
