Elite College Player temporary transfer to Elite Senior Club Application

Elite College Players, as identified and approved by an Elite Player review committee, may gain approval for temporary transfer to join an Elite Senior club for a high level competitive opportunity as identified by USA Rugby, while retaining the player's current-year collegiate eligibility.

Please complete the following required fields:

Name: _____ **Member ID (CIPP):** _____

Collegiate Institution and Club: _____

Elite Club with which you wish to participate: _____

Expected Events you will be participating in:

Description of Event
E.g. – “Boston Rugby Club v. Old Blue RFC, 9/12”; “Twin Cities Amazons v. Atlanta Harlequins, 9/12”

Upon submission and review of this documentation, USA Rugby will contact you directly to establish your eligibility as an Elite College transfer to an Elite Senior Club. *Until that point in time, you are precluded from participation with your Elite Senior Club.* In addition to this application, you will also be required to provide an endorsement from your current collegiate program's head coach and a similar endorsement from a USA Rugby High Performance coach. These endorsement should be letter crafted by these individuals submitted directly to USA Rugby via email or fax.

The following required documentation has been provided for my application:

Letter of endorsement from current collegiate head coach

Letter of endorsement from current USA Rugby High Performance head coach

Note that this is an application form ONLY. By completing this application, you are not yet deemed eligible for participation of this nature until the materials have been reviewed and acknowledged by all applicable parties.

Please sign this form as acknowledgement of your understanding of the requirements for this application

In the event that you have lingering questions or concerns, please do not hesitate to reach out to USA Rugby via email at eligibility@usarugby.org or 303.539.0300 ext. 110 to speak with Eligibility Coordinator, Nicholas Bridenbaugh.
